Also: Sonya Potts, Judy Schafer.

GUESTS: Dave Barrett

MINUTES: T. Covell Motion to approve; R. Schafer seconded. MC

ORDERS: R. Schafer motion to approve D. Grossnickle seconded. MC

RESERVED TIME: None

UNRESERVED TIME: Dave Barrett discussed the day the loader was broken and the snow was in the middle of the boulevard. He stated several people complained to him. Board told him to refer them to the Village office.

REPORTS:

Fire – Discussion about a few complaints of fire hydrants not being shoveled. Will put something in next newsletter. Nabco building burned. 9 departments attended. Karla brought them food and drinks. The amount of water needed affected water pressure for residents.

Streets – Looking good!

DPW – Had some repairs that affected plowing for a day.

Park – Still closed.

Water – Attended a class dealing with lead and copper rules changing. Will be pretty extensive and expensive. #2 well receiver was down. Had trouble keeping up with water on system during Nabco fire. Will attend class in Lansing February 6th.

Zoning – Cars are still being parked in the street. Karla is making a list and giving it to the police. She is also putting notes on cars.

Planning Commission – No report

Rental Standards – No report

Correspondence: Letter of interest from Elizabeth Dufrense regarding interest in a position on board. Will revisit next month.

Letter from Health department regarding monies available. Elizabeth Dufrense will work with K. Somsel to put a request in writing.

Old Business:

Library repairs – 3 estimates in the coming weeks and work will be done in spring

Cupboard – Darrell Howes may want to do the demolition.

New Business:

Discussed the fact the cupboard is not insured through MML since it is not occupied. Still looking for ways to get rid of it.

Softball Fields – discussion about upcoming season

Nothing further was discussed and meeting was adjourned.

Respectfully,

Sonya L. Potts
