Jack McKinley mentioned that there wasn't anything in the Local expenses for the use of the back hoe and snow plow.

There was a discussion on paid vacation time. The clerk pays what is on the time sheets.

Jack McKinley mentioned that the new Dollar General cannot have a driveway off Nine Mile. The plans were already approved with the driveway.

Jack McKinley accused Jim Draze of having the check for the Dollar General land use permit delivered to his house. Jim said that he did this as Dollar General was under time constraints and the Zoning Administrator could not be reached to sign. He did bring the check to the office when the office was open and the check was deposited then.

Jim Draze asked that a letter of apology be sent to him from the Village for the accusations made to him.

D.P.W. - Potholes need patching when weather permits. Two driveways need repairing. Concrete will be needed for this project. The Park, Cemetary, and Train Depot need to be winterized. Kim also asked if the roads in the Park could be scraped.

Water - The engineering contract was signed. Nov. 5,6,& 7 flushing of hydrants will be done. Water samples passed. There will be a report from the engineer next month.

Zoning - Denise at the Township has offered her services until Dec. 31st. Dean Grossnickle made a motion to accept this offer. Jack McKinley supported. MC

Planning Commission - In October there will be a joint meeting with the Township. They are working on a draft ordinance. There will be a public meeting on November 21st at 6:00 pm for input.

New Business - No one has responded for Library repairs. There is no dumpster at the cupboard yet for demolishen. There will be an ad put in the paper for a snow plow driver. Drug testing was discussed for employees.

Tony Covell made a motion to adjourn. Dean Grossnickle supported. MC
