ORDERS: T. Covell Motion to approve; J. Mckinley seconded. MC

RESERVED TIME: Bruce Standfest Proposal to bring high speed internet to Kaleva via equipment on our water tower. Discussed what it will do for the village. Council will let them know.

UNRESERVED TIME:

Harry Lucious discussed a firm that can do contract operations for water in village. Great Lakes Water Labs, Scott Little, operates Village of Elberta and may be available to do Kaleva's when our water superintendent retires.

Joyce Renwick discussed unregistered/junk cars that need to be removed. Letters are going out to residents who have them.

REPORTS:

Fire – quiet

Streets – Will sweep soon. Sidewalks – some residents asked if they can fix their own sidewalks. It was determined they can't.

DPW – Scrap is gone. Sign stating "no dumping" is now at the garage. Joel has a new list of stuff that needs to be done. Irrigation is blown out. Village office deck needs addressed.

Park – Cameras are up, "widow makers" dead hanging tree branches need to be removed. Rates need to be increased. Proposal will be brought to next meeting.

Water – Water tank painting is finished and tank is back online.

Zoning – Sent letters to houses on Kauko and by water tower. Threatened three times when she was taking pictures.

Planning Commission – No report

Rental Standards – Haven't met with new inspector yet.

Correspondence: None.

Old Business:

Library repairs – Unknown if it is finished.

New Business:

T. Covell motion to appoint R. Schafer as pro tem. D. Grossnickle seconded. MC.

Ron Brown Proposal – Need more information.

County Recreation Plan – R. Schafer made a motion to amend the village master plan to adopt County Recreation Plan as Village Recreation Plan. D. Grossnickle seconded. MC
